The St Mark's Fortnightly Newsletter

4th September 2026

'A school where children develop the passion to learn, the skills and knowledge to succeed and the confidence to take Christian values into our diverse society.'

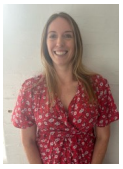
Welcome back to school!

It has been a really positive beginning to the term and we welcome all of our new families to St Mark's. The children have been getting to know their new teachers and teaching assistants and learning more about the expectations and routines within their new year groups. Many of the Key Stage Two children will soon be applying for Monitor positions that they are interested in leading and they will find out their new roles next week.

Already teachers are making arrangement for the term ahead. Next week, class bulletins for Autumn Term 1 will be sent out to you, which will outline information about what is to be learnt during the term. During the next two weeks there will be an opportunity for you to meet your child's class teacher in person. Please look at the diary dates within this newsletter to find out when this and other events and activities will be taking place.

We are here to help

Again this year, we look forward to doing all we can to support our children as they begin school and return to school. Across the school this will include: counselling, art therapy, speech and language groups, English as an additional language support, 1-1 tuition, small group tuition, interventions, ECH plan provision, social skills groups, pastoral support and mentoring . This is all in addition to high quality class-based teaching and learning. We will be working very closely with our external partners which include the Lambeth's Autism Advisory Service, Educational Psychologists and Speech and Language therapists.



Key People who are available to support you this term are:

Mr Ingram—Head teacher

Ms Nickola Roye— Deputy Headteach and Inclusion Leader

Ms Catherine Smith Assistant Head for Teaching, Learning and Assessment

Mrs Natasha Guy—Home liaison officer and working with parents and families

Mr Emmanuel Okuromade—Sports Coach and Pastoral Support

We will make direct contact with families this week to discuss plans and support.

It was great to see our old Year 6 students in school this week and we wish them all well as they start Year 7

School Uniform

Thank you for your efforts with school uniform. We do our best to reduce costs by not insisting that children wear the blue, school polo shirts with the school logo on. However we do want the children to look smart and be wearing full school uniform. There have been a small number of children who have returned to school wearing trainers rather than school shoes. Please can school shoes be purchased at the beginning of the school year to replace trainers. Please also ensure that large hair bands and jewellery is left at home.

- Black school shoes. Thank you for your efforts with this. Remember no trainers
- A blue shirt or polo shirt. We are happy if children purchase these from a store rather than purchase the one with the school logo, as it works out far cheaper. Make sure it is the correct colour
- A grey skirt or grey trousers
- A school sweatshirt or cardigan
- A book bag / A school bag
- PE kit is white t-shirt or polo shirt and plain blue shorts or jogging bottoms. Please avoid branded items and cycling shorts. PE kit should only be worn on PE days
- Please can children not wear jewellery to school, apart from stud earrings for health and safety purposes
- Hair bands must be simple and preferably in the school colours. Avoid hair accessories—large, colourful bows etc.
- NO SMART WATCHES ARE TO BE WORN TO SCHOOL PLEASE
- IF YOU WOULD LIKE HELP WITH FINDING AFFORDABLE OR LOW COST SCHOOL UNIFORM, PLEASE SPEAK TO MRS NATASHA GUY, OUR HOME SCHOOL LIAISON OFFICER

Office Notices

School Dinners

Harrison is our new catering provider and will be providing our school dinners.

All primary school children who attend state schools
from Reception to Year 6 in London receive free school meals for the full academic year.
Please notify the school if your child will have packed lunch instead of school dinners.

NURSERY CHILDREN WHO ARE NOT ENTITLED TO FSM will have to pay for their meal

School Meals will continue to cost £3.00 per day or £15.00 per week.
Please pay on ParentPay in advance to keep your dinner account in credit and prevent reminders

We actively encourage all families who think they are eligible to apply, as this will grant additional support within school through the Pupil Premium funding. To apply please click here and return the completed form to the office or obtain a form from the office. Families on a low income or in receipt of certain benefits may be entitled to Pupil premium.

If your circumstances have changes, please communicate to the office.

Breakfast Club

Breakfast Club is available from 8am every day for **£3.50 per child per day** (£17.50 per week).

Payments via ParentPay.
Please contact the office for an application form or click here.

After school clubs will start w/c Monday 21st September.

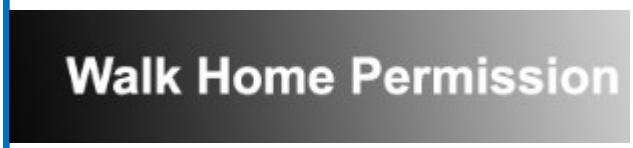
See pages 5& 6 and Check your emails for Full information

Up To Date Pupil Records

In order to adhere to our safeguarding duty, please update your child's details on our Pupil Records Form
https://forms.gle/Q686uruH9dF2iRzz6

We request for this form to be completed at the start of each year to ensure we have your latest details on file to contact you for regular and emergency situations. We also require your child's updated medical details and the details of the adults you permit to collect your child/ren so we can make sure they only leave with a person identified by you.

Year 6 notice



If you want your Year 6 child to go home alone, please collect the home alone permission form from the office.
The permission must be authorised by the headteacher.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

10 Top Tips for Parents and Educators

SUPPORTING CHILDREN GOING BACK TO SCHOOL

Change can be hard for children to manage. Going back to school after a long summer break might cause them to feel uncertain about their friendships, school routines and relationships with new teachers. However, trusted adults play an important role in providing both practical and emotional support.

1 LEARN WHAT EQUIPMENT YOU NEED

Figure out a list of all equipment needed for the start of the school year, so you can comfortably get your hands on the necessary items in time. If children have any financial issues and receive free school meals, the school may be able to provide some monetary aid or offer other support.

2 COMMUNICATE WITH THE SCHOOL

If you notice that a child is feeling anxious about a change of teacher or school, arranging a one-to-one meeting with their new teacher can be a good way to alleviate some of the anxiety. Just knowing that they understand the child's worries and will be able to help them if the need arises can build the foundations of a good working relationship. Knowing that you can contact them with any queries can also be reassuring.

3 CHECK THE SCHOOL WEBSITE

There will be plenty of information about the start of term on the school's website to keep you updated. Furthermore, you should be able to find other useful information such as contact details for staff, important school equipment, clubs, and news about any special events on the school calendar for the year. It could be helpful to look through this with children for anything which might reassure them.

4 HELP TO MANAGE FRIENDSHIPS

If a child is feeling anxious about making new friends – especially if they're moving up to secondary school – it can be a good idea to remind them of what they could do or say when meeting new classmates. Investigating the extracurricular activities available could be a good way to open a conversation about their hobbies and pastimes, and joining such clubs could allow new friendships to be built on this mutual interest.

5 PLAN SELF-CARE

Talking to children about how they can manage their self-care can be an effective way of helping them understand its importance. This might involve playing a computer game they love with friends, a weekly visit to the library, getting to bed at the same time each night, or a range of other activities that support their wellbeing and provide the familiarity and safety of a routine that works for them.

6 MANAGE TRICKY FEELINGS

Explain that it's okay to have difficult feelings around returning to school. This can help reduce any shame or embarrassment a child might be feeling over these emotions. Emphasise that other children – even some of the teachers – will be feeling the same way. Consider practical ways to manage these feelings and help children feel more in control of their emotions. Some examples include fidget toys, breathing exercises or a notepad for doodling.

7 SECURE A SCHOOL UNIFORM

Parents and carers should try to buy a child's uniform for the new academic year well in advance of the new term (although allowing for potential holiday growth spurts) and give them time to adapt to any changes. Make sure they can comfortably change into and out of it for PE lessons. Double check the requirements for PE on the school's website, as some schools will also have requirements for PE kits.

8 PREPARE FOR TRANSITION DAYS

Ensuring that children attend transition days is a vital step in preparing for the new year. Some schools also have transition evenings for parents and carers to attend, offering extra opportunities to reach out for any additional support.

9 READ THE MENTAL HEALTH POLICY

If a young person struggles with their mental health, it's important to understand their school's mental health policy and provision to know what support is available. This should be on the school's website. A range of aid is typically on offer – from individual timetable amendments to group sessions on emotional wellbeing. You can then discuss these options with the child to reassure them that help is there if they need it.

10 LEARN ABOUT SEN SUPPORT

If a child has SEN and receives help in school, try to confirm exactly what support is available, to ensure they'll be having their needs met. If they're moving up to secondary school, it's a good idea to meet with the SENCO to ensure that all teachers receive the most relevant, up-to-date information about the child's needs and have a contact to liaise with if these change over time.
