Valued by God

THE ST MARK'S NEWS

Friday 30th September 2016

'A school where children develop the passion to learn; the skills to succeed and the confidence to take Christian values into our diverse society.'

Parent's Evening

We will be holding our first parents' evening meetings on **Tuesday 11th and Wednesday 12th October .** This is a time for you to get an update on how your child has settled into their new class, speak to your child's class teacher about their progress and obtain their targets for this term. A letter will be sent out on Monday. Please return as soon as possible to secure your preferred time.

Wildlife Garden Revival Saturday 1st October 10.00-2.00pm

At St Mark's we want your children far more involved in outdoor learning and accessing the outdoor space on a weekly basis. There is strong evidence that outdoor learning contributes significantly to children's all-round development and academic progress. We have plans to create a school orchard, a vegetable garden and flower beds. We are hoping as many of you as possible will be able to join us tomorrow at some point between **10.00-2.00pm** as we prepare the areas to develop. We have arrange for a great lunch at **12.00pm** for all of the workers. Remember that we are doing this to make sure the learning experiences of your children are further enriched, so the more help we get the better.

What's Been Happening at ST Mark's?

Congratulations to our Peer Mediators from Years 5 and 6 who started work this week.

Year 4 enjoyed a fantastic Anglo-Saxon Day last Friday

Reverend Steven brought in his pet chicken during our Harvest Festival

Our School Monitors started their new jobs this week.

Year 5 taking part in their weekly Chess Lessons.

Children involved in own lunch time Gardening Club

Pupil Safety

Please do not park cars on the yellow lines outside the school. It prevents children from seeing on-coming traffic as they cross the road and it puts their safety at risk.

We are in the process of working with Lambeth Council in order to get protective metal fencing on the edge of the pavement. This will act as a further safety measure. In the meantime, please be vigilant as children cross the road at the beginning and the end of the school day.

CHILDREN HELP OUR SCHOOL TO DESIGN A COLOUFUL MOSIAC

Colour in our school logo for our Mosaic Project! Use as many colouring ideas that you can and hand into office by
